I'd like to be a part of a board of directors that brings our members together, operates transparently and with integrity, and collaboratively makes decisions for the betterment of our club.

Why do you think you would be the best candidate for this position?

I bring a unique combination of experience to this role. Having been a senior business and security leader for a Fortune 500 company, a board member and committee chair for a national non-profit organization, a NRA Chief Range Safety Officer, and as a NRA and MADFI Instructor, I believe I will be able to both serve the interests of our members by ensuring safe and secure range & business operations – and build a stronger, more transparent, and collaborative board of directors.
