

SPORTSMAN'S CLUB

2015 MONDAY NIGHT F-CLASS LEAGUE

The Elk River Sportsman's Club would like to invite you to our weekly F-Class League. Our league is very friendly, informal, and open to members of our club as well as non-members. New shooters are welcome. We start the season at 300 yards and shoot at 600 yards thereafter.

F-Class is the fastest growing long range rifle sport in the world. Even if you are not interested in competitive shooting, it is a fantastic way to improve your long range marksmanship, and reloading skills. It's also a ton of fun!

We require that all new F-Class shooters attend the March 30 Orientation meeting (7PM). There, we will outline the basics of F-Class competition, safety, equipment requirements, and go over how our league operates. This meeting will be held at the Elk River Sportsman's Club clubhouse in Elk River, MN.

Shooters who have shot in our league in the past, or those who hold NRA mid or long range classifications need not attend orientation.

For more information contact league director Jon Clauson.
