2-Day Marksmanship Clinics in 2010 April 17 – 18 and July 31 – August 1

Shoots start at 08:30. Please arrive early to allow time for set up and sign in.

The Appleseed Program is designed to take you from simply being a rifle owner to being a true Rifleman. All throughout American history, the Rifleman has been defined as a marksman capable of hitting targets from 500 yards away! This 500-yard range is traditionally known as "the rifleman's quarter-mile;" a rifleman can hit just about any target he can see.

Appleseed instruction uses 500-yard targets scaled down for 25 meters. Sounds easy? Think again. With the "Six steps to firing the shot," we can show you how to put ten rounds through a 1-inch square at that distance using iron sights. Scopes are allowed, but this is not bench shooting! All targets are shot from the traditional positions: standing, sitting or kneeling and prone.

On top of all that, hear some little-known Revolutionary War history and reaffirm your heritage. Become a more influential citizen and make America a better place.

What you should bring:

A desire to learn and improve.
A rifle (and a spare, if you have it)
Ammunition: At least 250 rounds per day.
Scope OK. GI web sling strongly recommended.
Eye and ear protection. Mat or ground cloth.
Hat and sunscreen. Rain gear, layered clothes.
Water, lunch, snacks. Some friends!

What you can expect:

New Shooters - learn fundamentals and make quick progress.
Experienced Shooters - learn techniques to tighten your groups.
Experts – polish skills, become an RWVA Instructor in Training.
Everyone – expect to have a great time!

Appleseed Attendees have said: "...[spent] time doing something fun with my son...I am so proud of him!"
"...had a terrific time with my wife and we are looking forward to our next Appleseed."
